After uploading all the documents in Nayara Energy Vendor Portal, Please Click on the Submit button and mention comments "All documents are uploaded" and Click Confirm.

- **How can we know the List of Pending Documents for Vendor Registration**

List of pending documents will be shown after clicking on Company Profile Tab on top of the page.

- **What is to be done in case Vendor has any objection or reservations in the submitting or disclosing any details in that specific Document**

If it is a case of objection on the entire Document, then Vendor needs to state on the Letter Head of the Company, mentioning the reservations in brief and upload the same under the respective section, after duly signing, dating and affixing company stamp on the same.

If it is a case, of reservations on disclosing the numerical data, then in the same format and on the Letter Head of the Vendor Company, the basis for non submission to be stated in that specific column and to upload the Document under the respective section (for eg 'Major Customer' document one may mention the names of Customers , but mention the Word 'Confidential', against each Vendor in place of amount).

- **Is the Vendor permitted to make any modifications in the text, contents of the prescribed format of the Document as Uploaded by Nayara Energy in the Portal.**

In such a situation, it is recommended that the Vendor prepares a 'track change' word note with the modifications made to the prescribed format and to e-mail the same with an appropriate subject line to Nayara Energy Vendor Query email id mdmcorporate@nayaraenergy.com/mdmsupport@nayaraenergy.com. The 'track change' word note must 'Not be uploaded' in the Portal until there is confirmation on the same from Nayara Energy.

- **What are the alternate documents for 'Certificate of Incorporation' in case of Proprietorship Firm.**

For Sole Proprietorship - Registration Certificate of Establishment document, under the Shop and Establishment Act by making an application to the local Municipal Corporation of your city may be submitted.
Or
On the Letter Head of the Vendor organization, please state the Name of the Proprietor along with Name of the Proprietorship Firm and the month/year in which established and attach GST certificate as proof the Proprietorship. Any of these 2 documents are sufficient and accepted.

- **Is there any connection between GST certificate and Address of the Vendor Company.**

It is mandatory that the state as per GST certificate and state as per address of Vendor Company mentioned on the 'Portal' is 'Matching'. Any mismatch is not acceptable, since in the event of the Vendor getting awarded the Purchase Order, the GST Number and Address mentioned on the Vendor Invoice's and as when billed should match with the address mentioned in the Vendor Portal.

- **Is it ok to submit Memorandum MSME certificate**

Not acceptable
The Vendor must submit MSME certificate issued by the Govt of India/Ministry of MSME, which states the MSME status, and the Udyam No / UAM no

- **What are the details provide under Organization detail Tabs.**

The following details needs to provide under Organization tabs.

- Details of Director / Owner / Partner of Company.
- List of Major Customers.
- List of Manufacturing Facilities ownes, if applicable
- Financial Particular

- List of Manufacturing & Testing Facilities Owned, if applicable
- Other Information if any
