- **How can we know the List of Pending Documents for Vendor Registration**

List of pending documents will be shown after clicking on Company Profile Tab on top of the page.

- **What is to be done in case Vendor has any objection or reservations in the submitting or disclosing any details in that specific Document**

If it is a case of objection on the entire Document, then Vendor needs to state on the Letter Head of the Company, mentioning the reservations in brief and upload the same under the respective section, after duly signing, dating and affixing company stamp on the same.

- **What are the alternate documents for 'Certificate of Incorporation' in case of Proprietorship Firm.**

For Sole Proprietorship - Registration Certificate of Establishment document, under the Shop and Establishment Act by making an application to the local Municipal Corporation of your city may be submitted.
Or
On the Letter Head of the Vendor organization, please state the Name of the Proprietor along with Name of the Proprietorship Firm and the month/year in which established and attach GST certificate as proof the Proprietorship. Any of these 2 documents are sufficient and accepted.

- **Is there any connection between GST certificate and Address of the Vendor Company.**

It is mandatory that the state as per GST certificate and state as per address of Vendor Company mentioned on the 'Portal' is 'Matching'. Any mismatch is not acceptable, since in the event of the Vendor getting awarded the Purchase Order, the GST Number and Address mentioned on the Vendor Invoice's and as when billed should match with the address mentioned in the Vendor Portal.

- **Is it ok to submit Memorandum MSME certificate**

Not acceptable
The Vendor must submit MSME certificate issued by the Govt of India/Ministry of MSME, which states the MSME status, and the Udyam No / UAM no
